NOTICE TO ODD FELLOWS

Grand master's visit to the various lodges of the southwestern part of the state showed the order to be in splendid working condition with the exception of some who are paying burial tax and endowment and paying no dues in their lodge. This is bad practice and will not benefit any member to do such thing for at their death there will be no benefit paid to the beneficiary.

Take due notice and govern yourselves accordingly if you want your families duly protected at your death.

E. D. JEFFERSON,
Grand Master.

SHALL THE DEAD BE RESURRECTED AND LIVE AGAIN?

(Continued from page One)

voice of the ark angel, and the trumpet of God, and the dead in Christ shall rise first. Then we which are alive and remain shall be caught up together with him in the clouds to meet the Lord in the air, and so shall we ever be with the Lord." (1 Thes. 4: 13-16). Here the Apostle, however, is discussing particularly the resurrection of the Church, that these shall be first resurrected. Afterwards shall come the resurrection of mankind in general. The purpose of their awakening out of death is to give them a fair trial for life everlasting. The apostle gives this thought when he says, "For it is the will of God that all men be saved and come unto the knowledge of the truth." (1 Thes. 2: 3-4). The salvation here mentioned is the salvation from death provided by the merit of Christ Jesus.

CONTINUED NEXT WEEK.
